## Previous Club Run

### Wisemans Ferry March 21st

Great turnout for this run saw 16 PT's make the scenic trip out to Wisemans ferry for a Club BBQ and Picnic. And it was great to see some members who have been absent from club runs. Dean and Mario and their families. The drive out was relaxing and with great veivs of the local farming comunities and small quiet villages. Several members tried out the local club bistro. while everyone else had the usual feast of BBQ and loads of cakes and sweets. Ray M had a special treat for those after a bit of fun after lunch. The usual suspects were involved. It was quite shocking, the goings on. But did little to dampen the enthusiasm. As the afternoon wore onseveral headed for home. With 4 of us taking the LONGGGGGGGGER route home Stopping off at Pie in the Sky for dinner???

Once again a well attended run Thanks to all who could attend and made it another great day
