Presidents Christmas Message from the "White Car"... (White House)

2009 now draws to an end and it has been some what a busy year for the club in some great cruises, shows and weekends away. Many thanks to our Cruise Controller-Col for an outstanding effort not only with his cruises but also the implementation of a new Club Magazine. Again a bit of an influx of new members this year with some others already queuing up for next year. So once again a welcome to all of the 2009 New Members and we hope you have enjoyed what you have experienced with us so far. Be it bringing a cake or a smile or just your car everything makes cruising just fun. Many thanks to the Committee for this current year. It has been a very busy year for the Committee but a lot good sound work has come out of it cementing hopefully an even stronger year for the Club in 2010.

Myself (Ray Joyce) and my family would like to wish everyone a very Merry Christmas, a Joyous and Safe New Year and look forward in getting together in 2010.

Illawarra Tree top walk

12 PT's filled with eager tree huggers who were full of enthusiasm for a great day out and none were left disappointed. The day was great with sunny skies and except for a few stupid bike riders everyone thoroughly enjoyed themselves. The views were breath taking high above the trees. Once the trees were finally let go of. Back to the cars for another thrilling ride back down the mountains. Arriving in Kiama for lunch Grabbing any available space to park. As soon as lunch was done the remaining cars headed up to the blow hole to find the other cars here aswell. It seemed no one was yet ready to head back home with everyone staying until late in the afternoon. Thanks to everyone for coming and making it a great day once again. and hope the new members enjoyed themselves and hope to see you again in the new year.
