## Barefoot Bowls Rosehill Bowling Club

This months cruise is to Rosehill Bowling Club to try out some Barefoot Bowls  
 The Bowling Club is located on the corner of Hassall and James Ruse Drive opposite Hooters and Rosehill Racecourse. The reason for this venue other than the Bowls and very friendly staff is I have heard over the last few years that they have a really good bistro. We couldn't ave a cruise just to the bistro now could we So we have to do a bit of light excerise before we try out the bistro. With 15-20 members showing interest it should be a fun day.

Meeting at the usual meeting place Lonestar Roberts Rd Chullora. Leaving 9 30am taking centenary Drive to the M4 Which is now toll free Taking the James Ruse Drive exit Turning right following until Hassall St where the bowling club is situated by 10 am  
 Costs are \$15.00 per person including children. Lunch of course will be in the BISTRO at extra cost.

## Patonga Beach Cruise 10th January

Another well received cruise to start the year off. 25 PT's took the trip north to Patonga Beach with 5 cars belonging to new club members. On the drive up the F3New Club Secretary Sandy put a call through to the local central coast radio telling them of our approach and estimated time of arrival. Stopping to regroup just before Woy Woy the announcement was made over the radio that the PT club would be passing through and to give a wave if you spotted them on the way to Patonga Beach. Well we were pretty hard to miss so several passing cars honked their horns as they passed. Also passing at the same time was a goods train heading south who also gave us a loud toot of the train's horn.

What a sight for the locals as 25 PT's pulled into Patonga. Luck was on our side with enough parking for us all close together and a bonus..... The one and only Shelter was empty and not in use nice and close by. Tables and chairs were unpacked along with dozens of eskies filled with lots of FOOD of course. Some deciding to try the local clubs and cafes, others brought picnics and meat to throw on the Barby. And not forgetting the ample supply of sweets and deserts. The girls even had a go at kite flying. Well Sophie and Olivia did, hard to explain what Fiona was doing?????

Also a couple of days later we learnt that our promo girl Sandy had been at it again with a write in the local central coast newspaper with photos supplied by Johnny Mac. Well done both of you.

## All American Day Castle Towers Jan 17th

One of those shows that was starting to stale. Well that's what we thought. In the past couple of years PT numbers were on the decline and serious consideration was given to drop this one. But how wrong were we. This year we had 12 members and there PT's joining us. Several of these were new members fresh from Patonga Beach. We had a large area to display with the classic American Chryslers not in abundance as in previous years. Over 300 cars all up on display and mustangs of every shape colour and year were once again plentiful. Surprised winner of best custom paint went to David Fiona and Sophie's Aquamarine PT. Well done and Congratulations.

## CAVOA Display Darling Harbour 14th Feb

6 PT's attend this year's CAVOA display. As usual the weather was not the best and overall numbers were way down on previous years. But crowd numbers were as usual in the thousands. With the PT's setup in a prime location. No trophies this year but still a good day out. All monies raised went to Barnardos.
