Kokoda Track Memorial Park Rhodes

April 11th

16 PTs took part in this months cruise to Kokoda Track Memorial Gardens Rhodes. With a short trip[up the highway we were there before we knew it....or before we could get lost.

The park is set out with walkways and gardens which commemorate the soldiers who lost their lives on the Kakoda Track during world war 2

On the walk there are displays with photos and information on sections of the Kakoda track.

It was very well set out and very eye opening. After completing our walk it was time for lunch. With the Barbie setup and meat cooked and eaten. While Ray relayed details of the upcoming trip to Port Macquarie, Dessert was passed out, With all the talking someone

missed out..... I bet that never happens again. With great sunny weather it turned out to be another great day with everyone enjoying themselves and having a great time.

All Chrysler Run To Avon Dam April 18th
